SUBJ: PUBLICATION OF THE ASSIGNMENT YEAR (AY) 2025 OFFICIAL SHOPPING LIST
AND VACANCY DASHBOARD KICK-OFF

1. The AY25 official shopping list is now available in Direct Access. Commands are encouraged to review the shopping list and contact the respective Assignment Officer (AO) with any questions.

2. A comprehensive list of all eResume deadlines can be found at the link below:

[Assignments Branch \(EPM-2\) \(sharepoint-mil.us\)](#)

All Assignment Officers will promulgate additional rating specific information on their SharePoint and TEAMs pages. Commands who will be underway, with limited or no connectivity and may not be able to meet these deadlines are strongly encouraged to contact the respective Assignment Officers for further guidance.

3. Directions on how to access the official shopping list can be found at the following link:

[Self Service - eResume.pdf \(uscg.mil\)](#)

4. As of 15 NOV 2024, EPM-2 will be shifting from ALCGENL solicitations to a SharePoint Vacancy Dashboard to shop Off-Season, Critical Fill, and Advance to Position opportunities. Applicants and commands can view the opportunities by location, unit, rate, and paygrade within the dashboard or as an exportable list. Position details, endorsement requirements, report date, and e-Resume deadlines will be listed. The EPM-2 Vacancy Dashboard can be found at the following link: [EPM-2 Vacancies Dashboard](#).

5. The EPM-2 AO SharePoint Site is the central location for news and information within each rating. The AO SharePoint pages are located at:

[Assignments Branch \(EPM-2\) \(sharepoint-mil.us\)](#)

All enlisted members should frequently visit relevant pages for current information. Additionally, members are highly encouraged to subscribe to notifications from their rating Assignment Officer's SharePoint Site and contact their AOs with any questions.

6. Released by: CAPT Jay Guyer, Chief, Enlisted Personnel Management.

7. Internet release authorized.
