Delegating Requests
 When instances prevent the approving official from approving absence requests, a delegate can be assigned to approve or deny any requests forwarded to the original approver. Procedures can be found in the [Delegate Requests](#) user guide.

Leave Requests for PHS Officers Detailed to the CG
 Do not use these procedures to submit leave transactions for PHS Officers. See <https://www.dcms.uscg.mil/ppc/phs> for PHS Self Service Absence Request procedures.

PCS or Separation Leave
 Do **NOT** input leave taken in conjunction with a PCS or Separation using Absence Request. This leave is recorded on the endorsement on orders or in the separation component.

Known Issue
 If leave was requested and then denied through Absence Requests, it may cause an error when attempting to enter the leave in the Delay En route section of the PCS Orders or processing the PCS Departing or Reporting Endorsements.

A Trouble Ticket with screenshots must be submitted to PPC to have the ‘Denied’ Absence Request deleted from DA before the PCS Orders or Endorsements may be completed.

Proxy: Submit a Chargeable Absence Request

Introduction This section provides the procedures for a proxy to submit a **chargeable** absence request on the member’s behalf in DA.

Discussion In most cases, absence requests will be submitted by a Proxy because the member is unable due to lack of access to the system, the approving authority is not in the system, or the approving authority is unable to approve in an appropriate time frame. The leave should then be submitted and approved via the Coast Guard Leave Authorization Form (CG-2519) or the Special Request/Authorization Form (NAVPERS 1336/3). Once the leave is approved, it should be forwarded to the SPO/Admin for entry into DA.

In order to access the **Proxy – Submit Absence Request** option, the proxy must have the CGHRS or CGFIELDADM.

Important Information Do **NOT** input leave taken in conjunction with a PCS or Separation using Absence Request. This leave is recorded on the endorsement on orders or in the separation component.

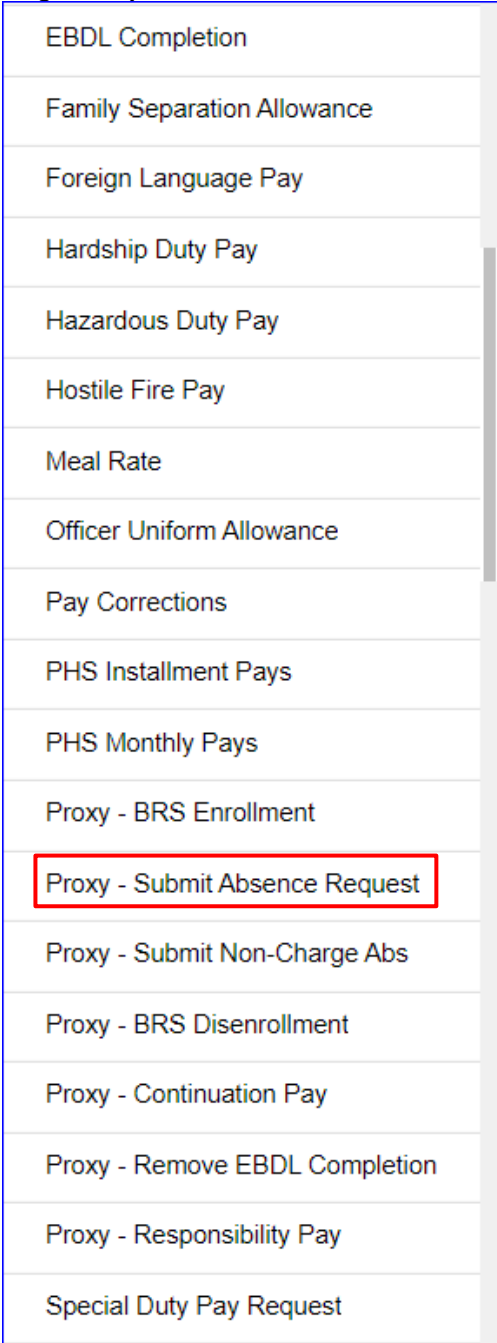

Procedures See below.

1	<p>Click on the AD/RSV Payroll Workcenter Tile.</p>
