Honor, Respect, and Devotion to Duty

Issue 2 / 2019

The Retiree Newsletter is a quarterly publication of the Director of Reserve and Military Personnel (CG-13), produced in alignment with the CG Retiree Services Program’s mission to: *Provide, support, and strengthen CG retiree communications and information services, as well as helping to sustain the life-long connection and mutually beneficial relationship between the Coast Guard and its military retiree community, the Long Blue Line.* This publication shall not be considered authority and is non-record material.

Coast Guard Retiree Services Program Director

Rear Admiral Matthew Sibley, Director, Reserve & Military Personnel (CG-13)

I want to extend my sincere appreciation to RADM Ron Rábago and MCPO Kevin Isherwood (National Retiree Council Co-Chairs), Regional Retiree Councils, the National Retiree Help Desk, and CAPT Chris Hulser (CG-13D) for their tireless efforts in support of our retiree community during the recent partial federal government shutdown. My thanks to the retiree community at-large for your feedback — highlighting the importance of ensuring retirees receive and have access to timely, “official” information. I also want to thank RADM Rábago for his extraordinary service as CGNRC Co-Chair during the past three years, RADM Jeff Hathaway for stepping up to serve as the new CGNRC Co-Chair, and to MCPO Kevin Isherwood for extending his tenure as CGNRC Co-Chair for another year. I look forward to working with the CGNRC in continued service to the Coast Guard and our retiree community.

Coast Guard National Retiree Council (CGNRC) Co-Chairs

RADM Ron Rábago, USCG (Ret), Rabago.CGNRC@yahoo.com
 MCPO Kevin Isherwood, USCG (Ret), Kevin.D.Isherwood@gmail.com

Much has occurred since our last newsletter. Of course, front and center was the Lapse in Appropriations (partial government shutdown) that affected all of our Coast Guard. For retirees and annuitants, the February 1st check was at risk, but thankfully the partial shutdown ended, and checks went out on time. Your Retiree Council heard from many of you throughout this period of uncertainty. However, despite our best efforts, we were challenged to ensure everyone received timely information. Between the Pay and Personnel Center (PPC) and our Regional Retiree Councils, we have less than half of the email addresses required to communicate in a timely way with you. Thankfully, the Vice Commandant sent out an informational letter to all retirees and annuitants by regular mail as the shutdown persisted. Hopefully we will not go through a lapse of this duration in the future, but you can ensure you receive updates in the future by registering your email. Please encourage other retirees and annuitants to do the same. You can register your email address at https://public.govdelivery.com/accounts/USDHSCG/subscriber/new?gsp=CODE_RED It only takes 2-3 minutes and it will help us, help you!

Our Annual CGNRC meeting has been set for 14-15 May 2019 at CG Headquarters. Our primary focus will be strengthening our ability to communicate with you. Please share your ideas and concerns with your Regional Retiree Council representatives so they can also be addressed at the meeting. A big Thank You goes out to CG Mutual Assistance for their financial assistance to our Coast Guard Family during the lapse. If your financial situation permits, please consider contributing to CG Mutual Assistance to help your fellow Coasties and their families (this includes retirees and annuitants).

Our National Retiree Help Desk was an important link to many of you and can always be reached at (833) 224-6743, or NRHDesk@gmail.com should you have any questions about support and services available to you.

ARMED FORCES RETIREMENT HOME NOW ACCEPTING APPLICATIONS

The Armed Forces Retirement Home (AFRH) – which offers affordable independent living to eligible veterans in its Washington, D.C., and Gulfport, Miss. locations, is now accepting applications for immediate residency.

The 2019 rate for independent living will be 46.7% of the resident's gross income or \$1,990.00, whichever is less.

AFRH is fully accredited by The Joint Commission and the Commission on Continuing Care Retirement Communities.

Veterans must be able to live independently upon admission to the AFRH. This means being able to care for personal needs, attend a dining facility for meals, and keep all medical appointments.

For those accepted into independent living, we also offer higher levels of care – including assisted living, long-term care, and memory support.

85% of our residents spent a career in the military, retiring honorably in the enlisted ranks following 20 or more years of service to our Nation. Military veterans from each service branch live at the Home. The largest group represented served during the Korea and Vietnam eras.

In Washington, DC, AFRH offers residents a scenic, wooded campus just minutes from downtown - home to museums, monuments, and a host of entertainment, sports and other cultural options.

Amenities include a nine-hole golf course and driving range, walking paths, stocked fishing ponds, and modern recreation facilities.

In Gulfport, Miss. AFRH offers residents a beautiful view of the Gulf of Mexico, with an outdoor swimming pool, walking path to the beach, reflecting pool, art studio and modern media room.

Many veterans choose to live at AFRH for the superior medical, dental and vision care offered, with amenities that include: private rooms with a shower, cable TV, three delicious daily meals prepared by licensed nutritionists in our modern dining facility, a wellness program and deluxe fitness center, movie theater, bowling center and hobby shops.

Services include recreational activities and resident day trips, a full-service library, barber shop, 24 / 7 security, beauty salon, computer center, mailboxes, ATM, campus PX/BX and off-campus shuttle and public transportation.

Persons are eligible to become residents who:

Served as members of the Armed Forces, at least one-half of whose service was not active commissioned service (other than as a warrant officer or limited-duty officer)

The following categories will be considered. Veterans **(male or female)** who are

60 years of age or over; and were discharged or released under honorable conditions with 20 or more years of active service.

or

Have a service-connected disability incurred in the line of duty in the Armed Forces.

or

Served in a war theater during a time of war declared by Congress or were eligible for hostile fire special pay and are suffering from injuries, disease or disability.

Those who served in a women's component of the Armed Forces before June 12, 1948 and are determined to be eligible for admission because of compelling personal circumstances will also be considered.

Married couples who meet eligibility requirements above are welcome, as are non-military spouses of career-retired applicants. Please call us for details!

Veterans who have been convicted of a felony or are not free of drug, alcohol, or psychiatric problems are ineligible to become a resident. For further information or to request an application, visit: <https://www.afrh.gov/apply> or contact the Office of Public Affairs at: admissions@afrh.gov 1-800-422- 9988.

DEPARTMENT OF VETERANS AFFAIRS

The Department of Veterans Affairs (VA) provides services to former members of the military, not just those who are retired from the military. If you are disabled, the VA establishes your level of disability compensation, and handles any changes or updates. These include: • Additional (tax-free) benefit for veterans injured while in the service; • Ratings for service-connected disability codes; • Ratings for Special Monthly Compensation; • Individual Unemployment ratings; Re-rating you if you feel your disability has increased. The VA also administers pensions, educational programs, home loans, life insurance, vocational rehabilitation, survivors' benefits (such as Dependency and Indemnity Compensation-DIC), medical benefits and burial benefits. If you have questions or concerns about any of these topics, please contact the VA at 800-827-1000 or visit their website at:

New London Ledge Light's lens that guided mariners into the Thames River is now housed at the New London Maritime museum, Old Custom House, Bank Street New London, CT. It's been moved a few times and the Museum Director would like to place the movement in working order. FROM ALCOAST 062/19 - USS TAMPA PURPLE HEART MEDAL CAMPAIGN at: <https://content.govdelivery.com/accounts/USDHSCG/bulletins/2328fc3>

The U.S. Coast Guard needs your help with locating and contacting descendants of the USS TAMPA, which was tragically sunk during World War I with all hands lost. The Service has yet to present 84 of the outstanding Purple Heart Medals awarded posthumously to the crew. We intend to recognize as many of the descendants as possible this Memorial Day. We need your help to do this. Background: USS TAMPA, a Coast Guard ship and crew serving under the Department of the Navy, was lost with all hands after being torpedoed by a German U-boat off Wales on 26 September 1918. This tragic loss occurred just weeks before the end of World War I. It was the single largest loss suffered by the Coast Guard during that conflict. At the time of TAMPA's loss, the Purple Heart Medal was not in use. In 1942, eligibility was extended to include the Coast Guard, but it was not until 1952 that the awarding of the Purple Heart Medal was made retroactive for actions after 5 April 1917. However, TAMPA was overlooked until 1999, when a retired Coast Guardsman submitted a proposal to award the Purple Heart to her crew. In 1999, then-Commandant Admiral James Loy authorized the posthumous awarding of the Purple Heart Medal to the crew of USS TAMPA. Today, over one hundred years after TAMPA was lost and twenty years after the first TAMPA Purple Heart was awarded, the Coast Guard is still attempting to identify those families who have yet to receive their ancestors' Purple Heart. The purpose of this ALCOAST is to raise awareness of the Purple Heart award program and to continue to identify those families who have yet to receive their ancestors' medals. You can help. Summary of USS TAMPA Purple Heart Medals awarded: There were 130 men on TAMPA, including 111 Coast Guardsmen and 4 Navy men. 26 TAMPA Purple Heart Medals have been claimed since 1999. 3 TAMPA Purple Heart Medals are presently in progress. 84 TAMPA Purple Heart Medals remain unclaimed. The names of the 84 TAMPA crew whose Purple Heart Medals remain unclaimed are listed at: <https://www.history.uscg.mil/tampa/>. To submit applications for TAMPA Purple Heart Medals, contact Ms. Nora Chidlow, Coast Guard Archivist, at Nora.L.Chidlow@uscg.mil or 202-559-5142. She has served as the primary point of contact between the Coast Guard and many TAMPA descendants, and also with the Medals & Awards branch. To apply for an ancestor's Purple Heart Medal, descendants are required to provide documentation showing the descendant's relationship to the TAMPA crew member, such as family trees, pages from family Bibles, birth/death certificates, and/or pages from Ancestry or other genealogical applications. Please expect about 4-6 weeks' time for processing.
